

Certificate of Compliance

| Item | AMCC Part Number | Description |
|------|------------------|---|
| 1 | BBU-9550SXU-01 | 3ware [®] 9550SX and 9590SE Series Battery Backup Unit |

This document certifies that the product part number(s) as stated above manufactured by AMCC as of January 2006 is in compliance with Directive 2002/95/EC of the European Parliament and of the Council of 27 January 2003 on the restriction of the use of certain hazardous substances in electrical and electronics equipment (RoHS Directives). The stated components are deemed as compliant in accordance to the definitions given in the RoHS directives.

Specifically, the components listed above shipped after 2006 will not contain any mercury, hexavalent chromium, polybrominated biphenyls (PBB), polybrominated diphenyl ethers (PBDE), or lead, above the 0.1% limit established by the European Parliament, and do not contain cadmium above the 0.01% limit established by the European Parliament.

The above part number(s) will be identifiable by the  symbol as per JEDEC standard JESD97.
